### *Supplies Needed:*

- Good Cardstock
- Computer & Inkjet Printer
- Scissors
- Embroidery Needle
- Embroidery Thread in Red & Green
- Foam Core
- Cutting Mat
- Stiff Felt in Red & Green

### *Directions:*

- 1.** Print out art on nice card stock.
- 2.** Cut out the art around the dashed lines for the felt templates.
- 3.** Match the non-art template to the stiff felt to make the larger border and cut out felt shape. Then cut around the printed artwork design remaining on the cardstock printout.
- 4.** Lightly pencil in the name of who the tag/ornament is for.
- 5.** Stitch the name using 3 strands of DMC embroidery floss. Be careful to pierce the hole down from the front on to a foam core backing with a solid cutting mat behind it. Always push away from yourself for safety!
- 6.** Glue the finished art to the stiff felt and let dry.
- 7.** Punch a hole through the top and thread the ribbon through to make a loop to finish.
